

SOHA RAFFLE AND SILENT AUCTION – April 2014

The 2014 Raffle and Silent Auction Committee for the Conference is gearing up for another successful fundraising event. Please look through your new and never used gifts at home. What do you have which might be more to someone else's liking? Craft items made by SOHA members and their families are good sellers – also ethnic crafts. Services such as a home cooked meal, use of a cabin for a weekend, bed and breakfast at your house are well liked. What popular item does your organization have to donate to a good cause? Raffle and Silent Auction funds go towards scholarships for the conference and workshops as well as worthwhile oral history projects.

Forms are available on the SOHA Conference website. Please fill one out and bring it with you for each item. Most participants arrive at the same time, so having completed forms expedites our setting up tables. But please let Indira Berndtson at iberndtson@frankloydwright.org know by March 17, 2014 what you will be contributing to the silent auction and raffle.

Thank you,

Indira Berndtson, Chair of Raffle and Silent Auction.
